Governance

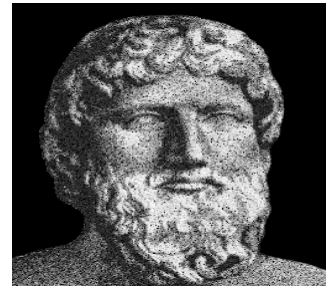

North Carolina Community College System
(NCCCS)

- ❖ Third largest system in the nation
- ❖ Each year the system's 58 institutions enroll more than three-quarters of a million students on campuses that are within 30 miles of 100 percent of the state's population.

Purpose of NCARE

1. To represent our unified and consolidated view to the North Carolina Community College System and other agencies involved with Respiratory Care education
2. To promote better communication among Respiratory Care education.
3. To provide support for the AARC and NCSRC.
4. To advance the goals and philosophies of Respiratory Care education.
