

AARC 59th International Congress

Anaheim, CA

North Carolina Affiliate Contributions

House of Delegates

- Garry Dukes, BS, RRT, FAARC; CMC-NorthEast, Concord, NC
- Jill Saye, BS, RRT; Forsyth Medical Center, Winston-Salem, NC

Program Committee

- Ira Chiefetz, MD, FCCM, FAARC; Duke University Medical Center, Durham, NC
- Garry Kauffman, MPA, RRT, FAARC; Wake Forest Baptist Health, Winston-Salem, NC

Award Recipients

- **Fellow, American Association for Respiratory Care**
 - o Garry Dukes, BS, RRT, FAARC; CMC-NorthEast, Concord, NC
 - o Kathy Short, RRT, RN, FAARC; UNC Hospitals, Chapel-Hill, NC

Pre-Congress Course Presentations

- **Respiratory Care & the Trauma Patient**
 - o ARDS and the Trauma Victim. Joe Hylton, BSRT, RRT-ACCS, RRT-NPS, NREMT-P, FAARC, FCCM; Carolinas Medical Center/MedCenter Air, Charlotte, NC
 - o Transport of the Trauma Victim. Joe Hylton, BSRT, RRT-ACCS, RRT-NPS, NREMT-P, FAARC, FCCM; Carolinas Medical Center/MedCenter Air, Charlotte, NC
- **Tobacco Intervention & Cessation Aids**
 - o Tobacco Treatment Guidelines, Evidence, and Brief Intervention Strategy. Susan Rinaldo Gallo, Med, RRT, FAARC; Duke University Medical Center, Durham, NC
 - o How To Respond To Those Not Ready To Quit. Susan Rinaldo Gallo, Med, RRT, FAARC; Duke University Medical Center, Durham, NC

Podium Presentations

- How Can I Use Waveforms to Optimize the Management of Patients with ARDS? Neil MacIntyre, MD, FAARC; Duke University Medical Center, Durham, NC
- Hypoxia versus Hypoxemia. Neil MacIntyre, MD, FAARC; Duke University Medical Center, Durham, NC
- High Frequency Oscillatory Ventilation in Adults: Indicated or Contraindicated. Pro, Neil MacIntyre, MD, FAARC; Duke University Medical Center, Durham, NC
- Interstitial Lung Disease. Neil MacIntyre, MD, FAARC; Duke University Medical Center, Durham, NC
- Heart-Lung Interactions and Oxygen Delivery. Ira Chiefetz, MD, FCCM, FAARC; Duke University Medical Center, Durham, NC

- Promoting Patient Safety through Teamwork and Communication. Ira Chiefetz, MD, FCCM, FAARC; Duke University Medical Center, Durham, NC
- Neonatal-Pediatric Interactive Cases. Ira Chiefetz, MD, FCCM, FAARC; Duke University Medical Center, Durham, NC
- Getting Beyond New Grad Status - Medical Director Perspective. Ira Chiefetz, MD, FCCM, FAARC; Duke University Medical Center, Durham, NC
- Respiratory Disasters: Conditions You Hope You Never See. David Turner, MD; Duke University Medical Center, Durham, NC
- Adjunct Therapies Improve Outcome for Pediatric Acute Lung Injury. Pro, David Turner, MD; Duke University Medical Center, Durham, NC
- Emergency Airway Management / RSI. Joe Hylton, BSRT, RRT-ACCS, RRT-NPS, NREMT-P, FAARC, FCCM; Carolinas Medical Center/MedCenter Air, Charlotte, NC
- Chemical/Biological and Natural Disasters. Joe Hylton, BSRT, RRT-ACCS, RRT-NPS, NREMT-P, FAARC, FCCM; Carolinas Medical Center/MedCenter Air, Charlotte, NC
- Multi-institutional Collaboration to Establish a Ventilator Patient Weaning Unit. Garry Kauffman, MPA, RRT, FAARC; Wake Forest Baptist Health, Winston-Salem, NC
- RT Department Dashboard: Creating, Aligning, and Marketing Your RT Department. Garry Kauffman, MPA, RRT, FAARC; Wake Forest Baptist Health, Winston-Salem, NC
- The "New" Health Care Paradigm: Will RTs Survive or Thrive? Garry Kauffman, MPA, RRT, FAARC; Wake Forest Baptist Health, Winston-Salem, NC
- What the Hospital RT Needs To Know About Home Oxygen. Connie Paladenech, RRT; Wake Forest Baptist Health, Winston-Salem, NC
- Pulmonary Rehabilitation Program Modifications for interstitial Lung Disease. Connie Paladenech, RRT; Wake Forest Baptist Health, Winston-Salem, NC
- Spontaneous Breathing Trials and Their Role in the LTAC. Peter Loper, MD; Carolinas Specialty Hospitals, Charlotte, NC

Poster Presentations

- Noninvasive Ventilation (NIV) Utilization in an Academic Emergency Department (ED)— Andrew G Miller RRT, Duke University Medical Center, Durham NC
- Evaluation of Initial Modified Pulmonary Index Score (MPIS) to Predict Hospital Admission for Pediatric Asthma Exacerbations— Andrew G Miller RRT, Duke University Medical Center, Durham NC
- APRV Utilization and Clinical Management Strategies: a Survey of Clinical Practice— Andrew G Miller RRT, Duke University Medical Center, Durham NC
- Implementation of a Standing Order Set Improves Time to Treatment in Pediatric Patients With Severe Asthma Exacerbations— Andrew G Miller RRT, Duke University Medical Center, Durham NC
- The Use of Non-Invasive Ventilation (NIV) in the Post Anesthesia Care Unit (PACU) in an Academic Medical Center— Dean A VanHart RRT, Duke University Medical Center, Durham NC
- A State-Wide Survey of Respiratory Therapist Support for Baccalaureate Entry-Level Educational Standards— Daniel J Grady RRT MEd FAARC, Mission Hospitals, Asheville NC
- A State-Wide Survey of Management Support for Increasing Respiratory Therapist Educational Standards— Daniel J Grady RRT MEd FAARC, Mission Hospitals, Asheville NC
- Results of an Outpatient Pulmonary Rehabilitation Program on Exercise Tolerance and Health-Related Quality of Life— Kimberly Clark EdD RRT-NPS, CMC-Pineville, Charlotte NC

- Continuous High Frequency Oscillation Therapy in Mechanically Ventilated Patients Greater Than Two Years of Age in the Pediatric Intensive Care Unit—Stephen R Morgan RRT BSRT, Apex NC
- Respiratory Therapists Can Impact the Intensive Care Nursery by Practicing Developmental Care Through Sound Reduction—Renee Bartle RRT, Duke University Medical Center, Durham NC

Session Moderators

- Games Your Kids Are Dying to Play. Ira Chiefetz, MD, FCCM, FAARC; Duke University Medical Center, Durham, NC
- Prone Positioning. Mike Gentile, RRT, FAARC; Duke University Medical Center, Durham, NC
- Ventilator Waveforms – Beyond Pretty Lines on the Screen. John Davies, MA, RRT, FAARC; Duke University Medical Center, Durham, NC
- Preoperative Screening and the RT Role. Mike Gentile, RRT, FAARC; Duke University Medical Center, Durham, NC
- Inhalational Injuries. Joe Hylton, BSRT, RRT-ACCS, RRT-NPS, NREMT-P, FAARC, FCCM; Carolinas Medical Center/MedCenter Air, Charlotte, NC
- Are RTs Really Needed on Transport? Garry Kauffman, MPA, RRT, FAARC; Wake Forest Baptist Health, Winston-Salem, NC
- Critical Care Transport – Evolution of a Profession. Garry Kauffman, MPA, RRT, FAARC; Wake Forest Baptist Health, Winston-Salem, NC
- Clinical Controversies in Pediatric Respiratory Care. Ira Chiefetz, MD, FCCM, FAARC; Duke University Medical Center, Durham, NC
- Management Boot Camp. Garry Kauffman, MPA, RRT, FAARC; Wake Forest Baptist Health, Winston-Salem, NC
