

NCSRC Education and Program Committee Sponsorship Information 2016

Potential Sponsor/Exhibitor:

Thank you for your interest in sponsoring the NCSRC Annual Symposium. In an effort to clarify items that are included in Vendor Exhibits, Vendor Sponsorships and Speaker Sponsorships, we have created this list hoping it will assist in making decisions to participate in the NCSRC Annual Symposium. **All information refers to one representative per company.** Please note there are sections to separate those vendors who only wish to have space in the Vendor Hall as opposed to those who wish to sponsor an event or break, or those wanting to sponsor a speaker during the meeting. If you have questions, please do not hesitate to contact the Education and Program Committee Co-Chairs, Wendy Ayscue at wendy.ayscue@gmail.com and Shelbourn Stevens at soshelbourn@novanthealth.org.
