Educational Objective:

Symposium 2016, *The 38th Annual Meeting of the NCSRC*, is presented by the North Carolina Society for Respiratory Care to advance the science, technology, ethics and art of respiratory care by providing an educational program of exceptional quality for respiratory care practitioners and students, physicians, and other health care providers.

Course Description:

Symposium 2016 is a continuing educational program for respiratory care practitioners and students, physicians and other health care providers. A distinguished faculty, comprised of physicians and therapists, will present lectures on a variety of topics that should be of interest to every respiratory care provider. The Symposium will also provide attendees will an opportunity to visit with company representatives to learn about the latest in respiratory care technology and products in the Exhibit Hall. The Symposium is also the venue for the NCSRC Annual Business Meeting.

Continuing Education Credit:

An application will be submitted to the American Association for Respiratory Care requesting 16 hours of Category I CRCE (continuing education) credits for the main program. [Programs approved for continuing education credit by the AARC are accepted by the North Carolina Respiratory Care Board.]
