Lecturer, Department of Kinesiology

The Department of Kinesiology at the University of North Carolina at Charlotte invites applications for a full-time Lecturer position for the Bachelor's Degree program in Respiratory Therapy. The successful candidate for this position will engage in high-quality online teaching at the undergraduate levels with some graduate instruction possible and will participate in departmental governance and service activities

Department. The mission of the Department of Kinesiology at UNC Charlotte is to enhance lifelong optimal health in diverse populations through scholarly research, teaching, and community engagement. The Department contains undergraduate programs in Respiratory Therapy, Neurodiagnostics and Sleep Science and Exercise Science along with Master's degree programs in Kinesiology, Athletic Training and Respiratory Care. UNC Charlotte is North Carolina's urban research university, the third largest and fastest growing of 17 institutions in the UNC system. The 1,000 acre campus serves a diverse and growing student body of over 29,000 students including more than 5,000 graduate students, and over 1,000 full-time faculty. Charlotte, the 16th largest city in the U.S. is a dynamic, diverse metropolitan area of 2.6 million with a strong, diversified economic base that supports excellent cultural and recreational amenities, outstanding health facilities, and a major international airport. The Department has 22 full-time faculty serving over 1,000 undergraduate and 40 graduate students. The Department is housed in the College of Health and Human Services, which also includes the Department of Public Health Sciences, School of Nursing, and School of Social work.

Qualifications. The successful candidate for this position will engage in high-quality online teaching at the undergraduate levels with some graduate instruction possible and will contribute to the College's goal of increasing effectiveness in responding to diverse student populations. They will participate in departmental governance and service activities. A doctorate (preferred), or masters required in respiratory care or a closely related discipline from an accredited university; experience teaching in an academic respiratory therapy program or a combination of equivalent professional experiences. Two years of college teaching experience in respiratory therapy is preferred. National Board for Respiratory Care Registered Respiratory Therapist (RRT) is required. Active Respiratory Care Practitioner License or eligible to receive a license in North Carolina is required. Advanced National Board for Respiratory Care Credentials are preferred but not required.

To Apply Please upload the following documents with your electronic submission at jobs.uncc.edu/postings/31148:

1. A cover letter describing how the applicant's qualifications relate to the position responsibilities and qualifications, including diversity goals
2. A current and complete curriculum vita
3. A statement of Teaching Experience and Philosophy
4. Official copies of transcripts of undergraduate and graduate degree programs completed
5. Copies of valid Board registration and licenses
6. Names, addresses (including titles and institutions), telephone numbers, and email addresses of three references

For questions or to arrange a confidential discussion about this position, contact the Search Committee Chair, Dr. Kim Clark (Kimberly.Clark@uncc.edu). Review of applications will begin on April 6, 2020 and continue until the position is filled. All inquiries and applications will be confidential.

As an EOE/AA and an NSF ADVANCE Institution, UNC Charlotte strives to create an academic climate that respects the dignity of all individuals. We encourage applications from all underrepresented groups. We actively seek applicants who can contribute to our [University's Diversity Plan](#) .

The candidate chosen for this position will be required to provide an official transcript of their highest earned degree.
