

**Educational Objective:**

Quarterly Education Meeting 2021 is presented by the North Carolina Society for Respiratory Care to advance the science, technology, ethics and art of respiratory care by providing an educational program of exceptional quality for respiratory care practitioners and students, physicians, and other health care providers.

**Course Description:**

Quarterly Education Meeting 2021 is a continuing educational program for respiratory care practitioners. A distinguished faculty, comprised of physicians and therapists, will present lectures on a variety of topics that should be of interest to every respiratory care provider. The Quarterly Education Meeting is also the venue for the NCSRC Board of Director's Meeting.

This program has been approved for 3 hours of CE Category I CRCE (continuing education) credits by the American Association for Respiratory Care. ( Programs approved for CRCE by the AARC are accepted by the NCRCB
